

Panhandle Lacrosse Inc. Refund & Weather Policy

Refund Policy

No refunds issued after regular registration closes, unless team is canceled due to insufficient numbers, etc., in which we will refund the registration amount (less online registration fees). In addition, injuries are a part of all sports at any level and are not generally considered as a reason for a refund.

Weather Policy

All events will be conducted rain or shine. However, the decision is made by our local Parks & Recs. If they choose to close a field no matter how light or heavy we think the rain is, we will be forced to cancel practice or games. There will be no make-up sessions. No refunds are given due to inclement weather. Keep in mind, Parks & Recs can make a field closure decision minutes before an event. Notification will be posted on our website, and social media accounts.
